

PAW HACKS 2024

METROHOME

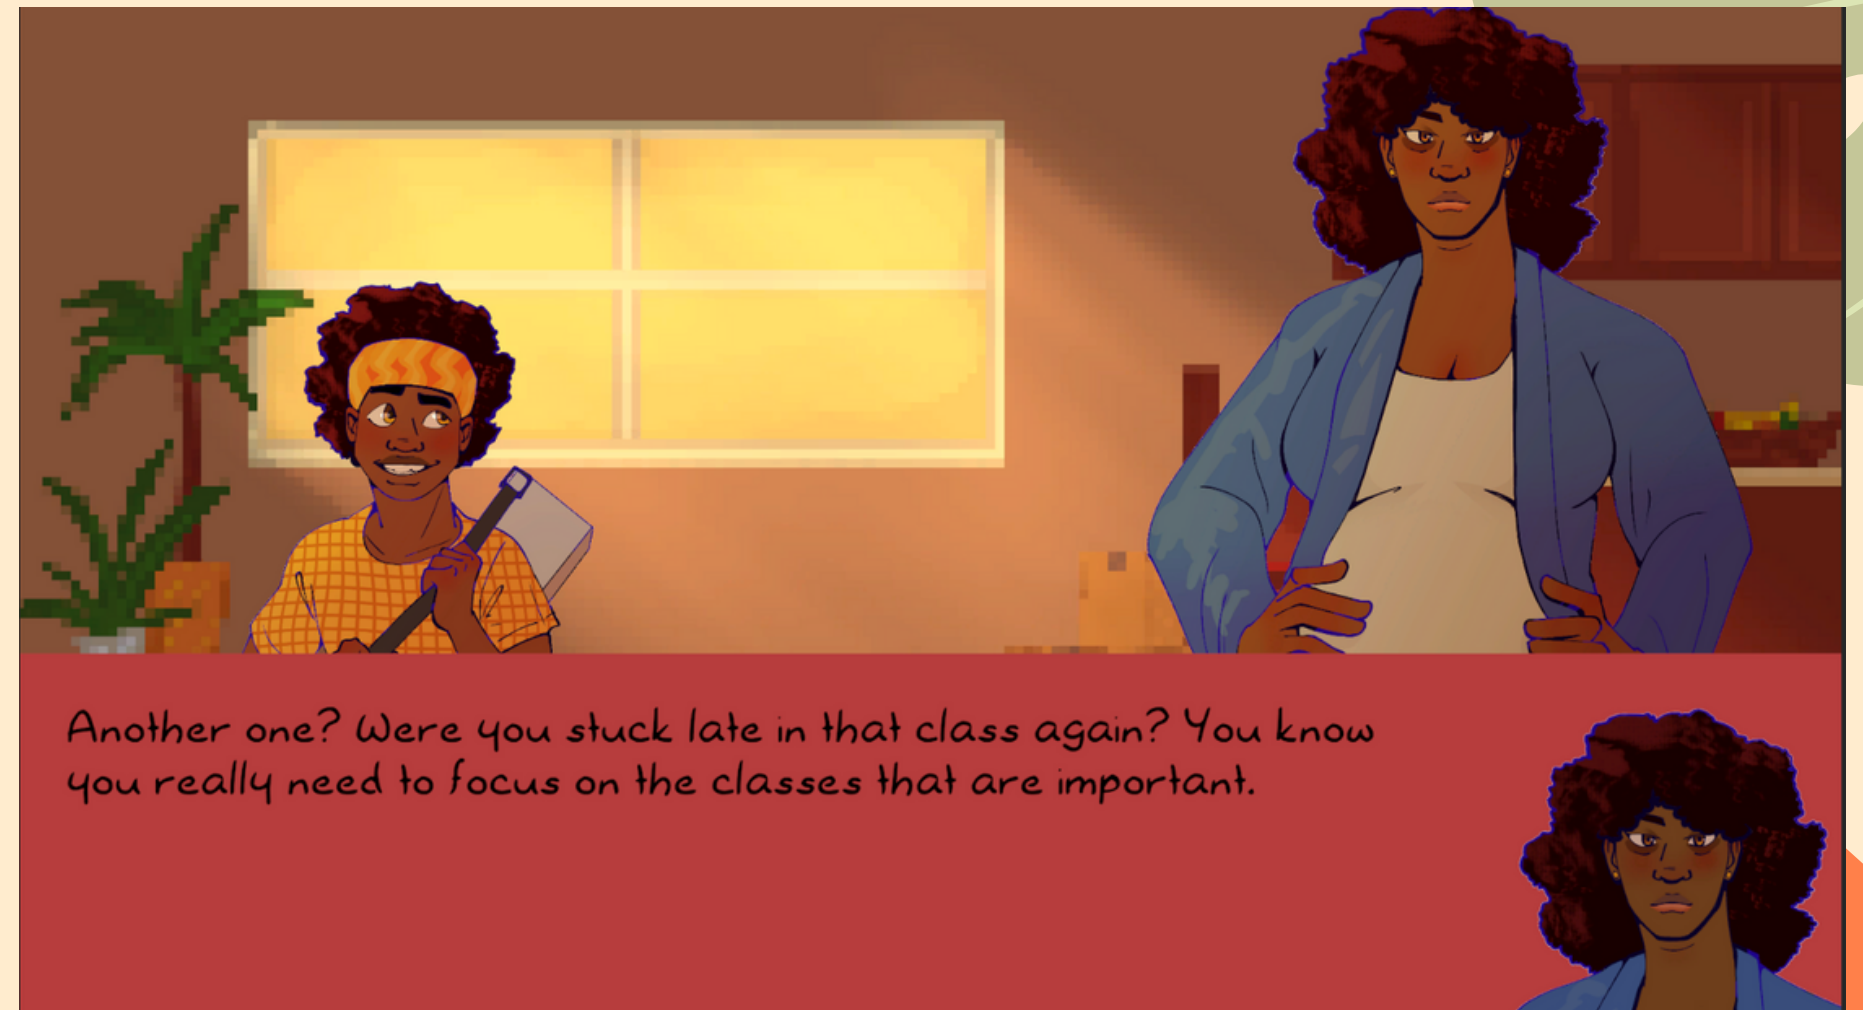

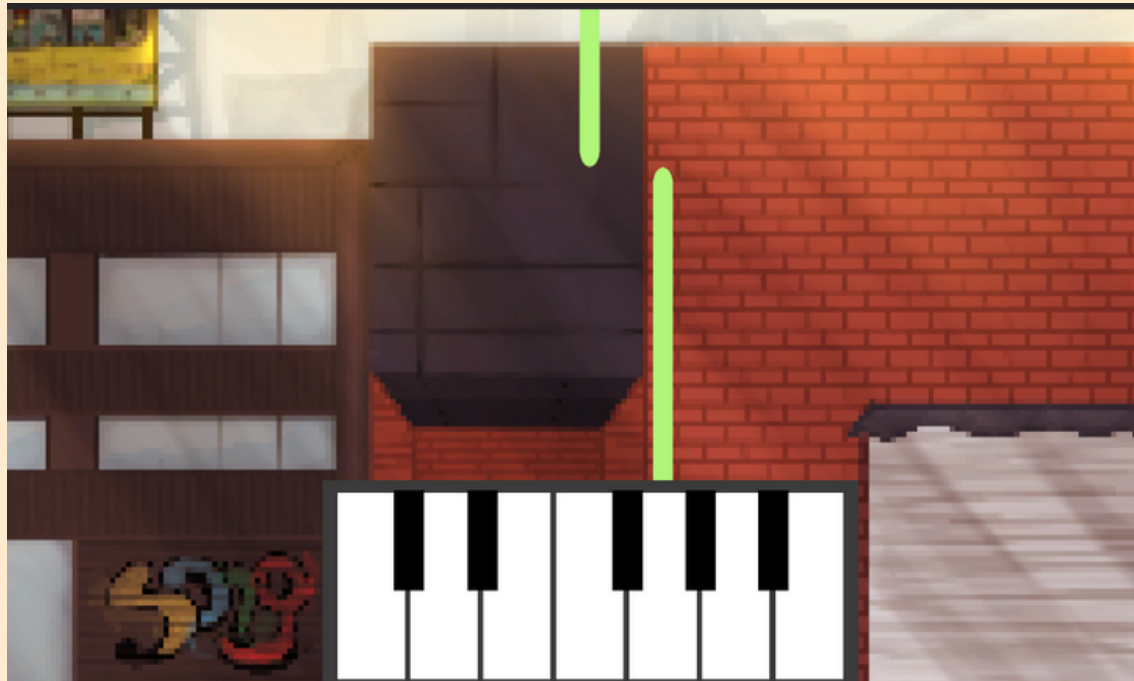

METROHOME

“Explore the creative power of **music** and the **arts** through the vibrant faces and characters of **Oakland** California in this short narrative and musical experience.”

VIBRANT GAMEPLAY

THE PROBLEM

Art education
doesn't receive
the attention it
deserves

- Stem takes priority over arts in our schools
- Society stigmatizes art as a choice of study
- Many students never get a chance to ever try mediums of art for themselves

BENEFITS OF THE ARTS

01

Happiness
Mental health

02

Inspiration
to others

03

Boost to
creativity

THE STATS

COLLEGE GRADUATION

Students who participate in the arts are twice as likely to graduate college

BUDGET CUTS

50% of teachers say that arts spending has decreased

RACE GAP

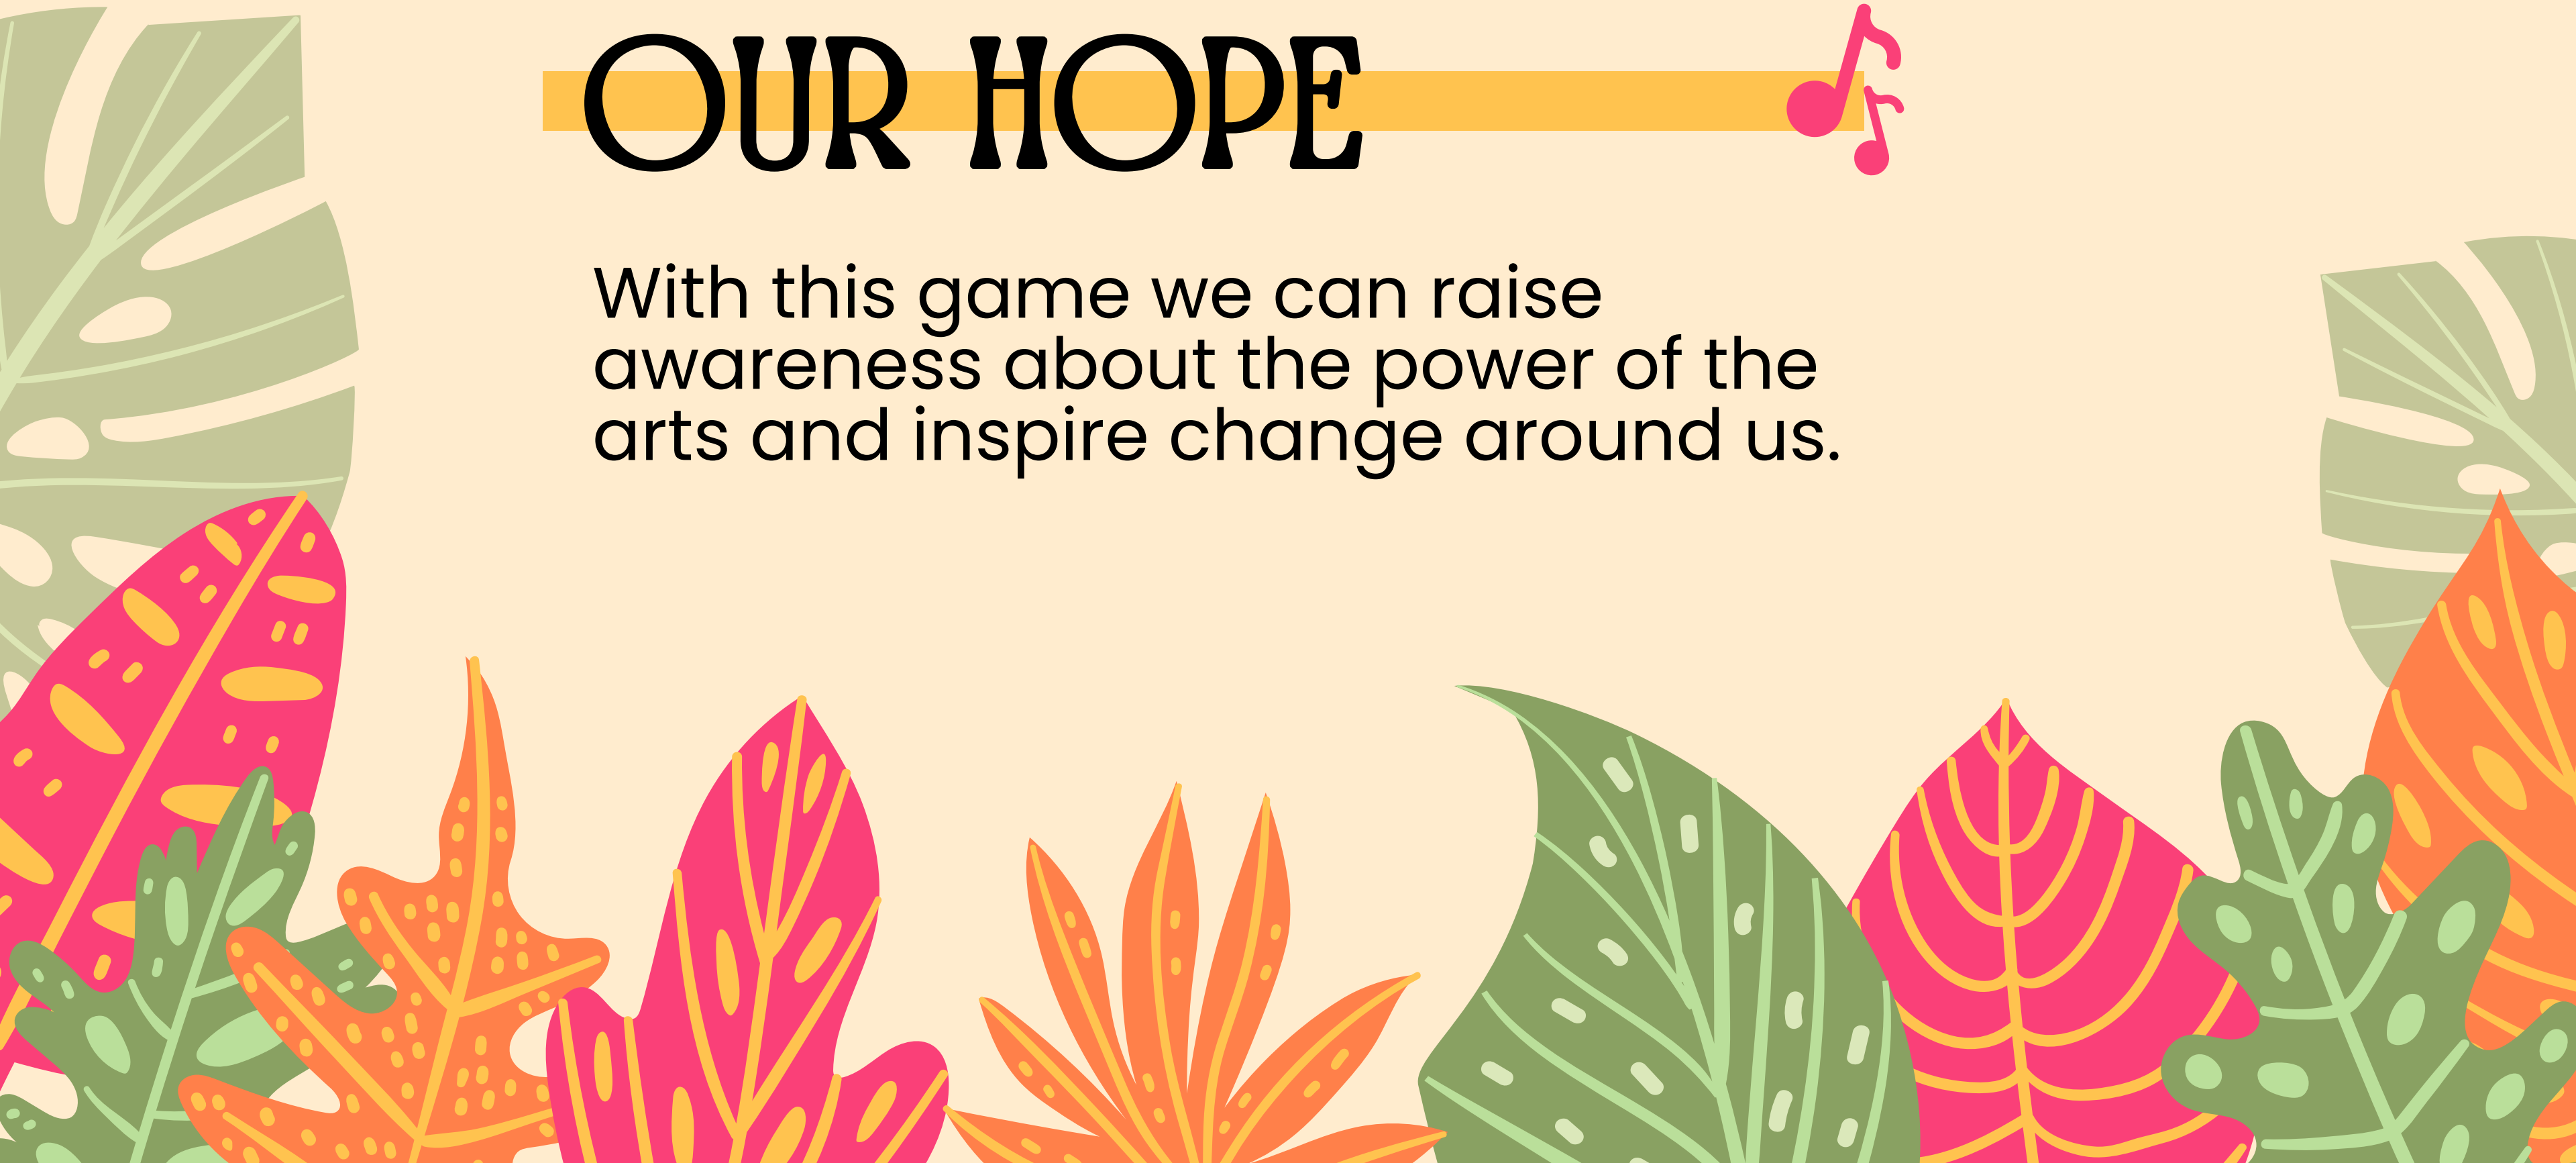

Non-white students have around half the access to arts education than white students

OUR HOPE

With this game we can raise awareness about the power of the arts and inspire change around us.
